20 May 1976

MEMORANDUM FOR: Chairman, Fine Arts Commission

FROM :
Member, Fine Arts Commission

STATINTL

SUBJECT : Changing Building Standard Paint Colors

At the end of our last meeting the Commission decided to accept recommendations to change and reduce the number of building standard paint colors. In view of the far-reaching effect of this decision, I feel that the Commission acted too swiftly.

I request that recommendation be discussed further at our next meeting.
